# TESTIMONIAL

## Boaz Chan

Very happy with what Ericko and the team at Reside Management did for me. They were very professional and efficient. They helped me get a great tenant at a good price. The move-in inspection was very thorough and detailed. I am very happy with the service they provided me and would highly recommend them.

## Ian Cunnold

I feel very fortunate to have been introduced to Reside Management when I was looking for help with renting out my condominium. They have shown me their expertise in handling advertising for tenants, subsequent screening and final contract management. I would sincerely recommend their services to anyone looking for a competent realty management company.

## Dr. Tabark Al Alousi

Matteo made our apartment rental a very pleasant experience. he helped like no other agent has in my experience renting in Vancouver.

His responsiveness and communication not only helped with the logistics things, but also made us feel comfortable and secure.

Thank you Matteo for you efforts.

I highly recommend Reside Management
